What the Number 9 Signifies: No. 9 is very dear to Jean-Charles because it is a special cuvee created in honor of his marriage in 2009. The No. 9 represents the unforgettable moment when he and his wife celebrated their shared passion for fine wine and embraced their luminous future.

This **PROVOCATIVE** sparkling brut holds significant meaning to Jean-Charles. It was in 2009 Jean-Charles married his **ETERNAL** love. JCB No. 9 represents their **PASSION** for fine wine and represents the new journey they embarked on together.
