

## THE SURREALIST

BRUT SPARKLING

*Carneros*

2016

---

THE EXPERIENCE OF CONTRASTING WORLDS

---

**GRAPE VARIETY:** Pinot Noir & Chardonnay

**REGION:** Carneros (Napa), California

**WINEMAKING NOTES:** Napa Valley's southernmost region, Los Carneros, provides these exceptional chardonnay and pinot noir grapes which shine brightly and harmoniously in this late disgorged Sparkling Brut (with residual sugars under 10 grams).

Alcohol: 12% | pH: 3.06 | Dosage: 10 g/L

**TASTING NOTES:** This radiant sparkling wine from the 2016 Carneros vintage exudes both freshness and complexity, enhanced by extended lees aging and late disgorgement for exceptional depth. The nose is elegant and layered, offering wild strawberry compote intertwined with candied citrus peel, honeysuckle, and a delicate saline minerality. The late disgorgement refines the mousse, delivering a silky, persistent effervescence, while the finish is long, vibrant, and laced with chalky minerality and citrus zest. A masterful expression of Carneros terroir, seamlessly blending richness and freshness.

**WHAT THE SURREALIST SIGNIFIES:** The Surrealist by JCB Sparkling Brut is the perfect complement to its sister Red Wine. A fusion of power, femininity, elegance, and grace, this Brut Sparkling seeks to unlock deeper truths through imagination, symbolism, and the exploration of the subconscious. A transcendent expression of artistry and vision, it represents our ultimate dream for Napa Valley sparkling wine.

The Surrealist portrays the experience of contrasting worlds: celebrating tradition & modernity, the real & the imagined, the past & the future, the consciousness of the self & the other, the inner & the outer worlds. Surrealism is the passage from one state to another, while also representing, the two facets of wine, the two colors of wine, the personalities of all our senses, the evocation of transformation, and the notion that time & space is limitless thanks to the elixir of freedom!
