

TRUFFLE INFUSED VODKA

VODKA DISTILLED FROM WINE
INFUSED WITH PÉRIGORD TRUFFLES
BURGUNDY, FRANCE

RARE. NOBLE. PURE.

Our luxury vodkas and gin are vintage specific, made just once each year following the grape harvest. Made from the best Mother Earth has to offer: sustainably grown grapes from the Côte-d'Or.

The Pinot Noir grapes are hand-picked and hand-sorted, partially de-stemmed and fermented in French Oak open-top vats for more than 20 days. The wine is then aged in barrel coming from the Forest of Tronçais for 6 months.

The Chardonnay grapes, also hand-picked and sorted, are gently pressed to release the natural golden juice, then fermented and aged in French oak barrels for 6 months.

After six months, the Pinot Noir & Chardonnay wine is blended, distilled a total of seven times through a three column still, and filtered four times on charcoal.

Using our JCB Pure Vodka as a base, we have infused this spirit with black truffle from the world-famous Périgord province to tantalize your senses and awaken your adoration of earth and mother nature.

The subtle nuances of wine and terroir are the hallmarks of JCB Spirits. These limited production spirits are crafted for exceptional and discerning connoisseurs.

We dreamt of creating the ultimate elixir... Pinot Noir and Chardonnay cultivated in Burgundy, France. Fermented into wine and distilled into sophisticated, elegant and refined spirits. The ultimate expression of what the earth has to offer! Creation is the essence of life.
